

The ID. Buzz Cargo
Brochure

Commercial Vehicles

Commercial mobility in a new dimension

What do you expect from a modern-day commercial vehicle? If it's electric drive, sufficient loading space, volume and comfort and convenience for long journeys, then look no further than the ID. Buzz Cargo – the first all-electric van from Volkswagen.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

A revolution in light commercial vehicles

The ID. Buzz Cargo is a van like no other. The new electric light commercial vehicle makes use of its clever MEB platform to offer vast internal space in a compact body. A low centre of gravity, rear-axle steering and a tight turning circle of just over 12 metres makes it perfect for confined city environments. And all this comes in a stylish, iconic design that's a world away from commercial vehicles of the past.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Fast charging, zero emissions

The ID. Buzz Cargo is a zero emissions vehicle, making it a huge step forward in sustainable commercial driving. The battery can be charged to 80% capacity in around 30 minutes using a 185 kW DC fast charging system[1]. It will also charge from any conventional household socket, and from a range of compatible charging stations and wallboxes.

1 Charging with max. 170 kW DC charging power for the Pro battery variant and at an ambient and battery temperature of approx. 23°C and a start SOC of approx. 5%; e.g. at an Ionity Station.

Built for the future
with innovative tech

Every member of the ID. family is capable of over-the-air updates and the ID. Buzz Cargo is no exception. Software updates for the infotainment, charging and driver assist systems can all be downloaded without the need for a Van Centre visit[1].

Life with the ID. Buzz Cargo is made more relaxing thanks to a broad range of driver assist systems that includes Park Assist Plus with memory function, which can automatically manoeuvre the van in and out of parking spaces, and the latest version of Travel Assist, which combines Adaptive Cruise Control and Lane Keep Assist[2].

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus, you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.
2 Within the system's thresholds.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Standard equipment highlights of the ID. Buzz Cargo Commerce

Interior

'Basket' cloth seat upholstery
Decorative trims, black
Heated front seats
Illuminated mirrors in sun visors, with airbag label on sun visor and B-pillar
LED load compartment lighting
Manual height adjustment for driver
Multifunction steering wheel with Hard Key controls
Robust floor covering in cab
Steering wheel, dashboard and central controls in black
3 seats – Driver's seat and 2-seater front passenger bench seat
Dimming breakaway interior rearview mirror

Infotainment and technology

App-Connect including App-Connect Wireless for Apple CarPlay and 'Android Auto'
DAB digital radio receiver
"Oneinfotainment" system with 12.9-inch colour touchscreen
We Connect[1] preparation
2 x USB-C ports in dashboard and 2 USB-C charging sockets in front

Comfort and convenience

1-zone Climatronic with enhanced air filter and stationary air conditioning
Charging cable mode 3 type 2, 32 A (6 metres length)
Glovebox, lockable
Operating voltage 12 V
Power adjustable and heated door mirrors
Sliding door on the left and right
Surround lighting on rear
Windshield wiper intermittent control
11 kW AC charging power (alternating current)
Bi-directional charging

Safety and security

Anti-theft alarm system, interior monitoring in cab, back-up horn and towing protection
Autonomous Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring[2]
Central locking system with keyless locking and starting system, Keyless Advanced with SAFELOCK
Cruise control system in combination with online services[2]
Driver Alert System with driver monitoring
Driver and front passenger airbags with front passenger's airbag deactivation
Dynamic Road Sign Display
eCall[3] Emergency Call System
Electronic engine sound
First aid kit with warning triangle and safety vest
Front and rear parking sensors
Keyless Advanced with SAFELOCK
Seat belt reminder, electric contact in buckle
Side and curtain airbags for driver and front passenger
Tailgate latching without unlatching function from inside
Tyre pressure monitoring system
3-point seat belts in front, with pretensioner and height adjustment
Swerve support and oncoming vehicle braking when turning

Exterior

Black bumpers
Heat-reflecting glass
LED headlights
LED rear combination lights
Rear wing door without window aperture
Unique 'ID. Buzz' badging

Wheel and tyres

Black steel wheels, 8J x 18 front, 8.5J x 18 rear with silver wheel trim
19-inch 'Tilburg' bi-colour alloy wheels – 4MOTION only
Tool kit & tyre mobility set: 12-volt compressor and tyre sealant
Tyres 235/60 R18 103T in front, tyres 255/55 R18 105T in rear

Cargo area

Fixed bulkhead

Body and chassis

Wooden floor covering in load compartment

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus, you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

2 Within the system's thresholds.

3 Connectivity of the Next-Generation "eCall" Emergency Call System ("NG eCall") is dependent on the availability of third-party services and may not be possible in some scenarios, including where telecommunications infrastructure is unable to receive or relay data transmitted by the vehicle. UK telecommunications infrastructure is currently undergoing upgrades to enable compatibility with NG eCall and cannot fully support data transmitted via NG eCall until those upgrades are complete. NG eCall will operate in a limited capacity until that time and should not be relied upon exclusively in an emergency. For further information on system limitations, please speak to your retailer.

Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

Standard equipment highlights of the ID. Buzz Cargo Commerce Plus (in addition to Commerce)

Interior

Leatherette wrapped multifunctional steering wheel with Hard Key controls

Infotainment and technology

Discover Pro navigation and infotainment system including 'Streaming & Internet'

Comfort and convenience

Gloss black electrically heated, adjustable and folding door mirrors, with front passenger lowering function

Heated windscreen

Surround lighting with logo projector

79 kWh Single-speed Automatic 4MOTION	340 (250)	N/A	0	2.80	260/420	353/569	TBC	99

1 Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors, including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 16.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre or Volkswagen Retailer for further information.

RDE2 refers to Real Driving Emissions Step 2.

Weights

Engine/transmission	RDE2 compliant	Gross vehicle weight, kg	Axle load limit, front/rear, kg	Trailer weight braked 12%/unbraked, kg	Gross train weight, kg	Unladen weight[1], kg	Payload[2], kg
ID. Buzz Cargo Commerce							
58 kWh Single-speed Automatic	N/A	3,000	1,390/1,690	1,000/750	4,000	2,344	656
79 kWh Single-speed Automatic	N/A	3,150	1,500/1,800	1,200/750	4,350	2,460	690
79 kWh Single-speed Automatic 4MOTION	N/A	3,150	1,480/1,790	1,800/750	4,950	2,554	596
ID. Buzz Cargo Commerce Plus							
79 kWh Single-speed Automatic	N/A	3,150	1,500/1,800	1,200/750	4,350	2,474	676
79 kWh Single-speed Automatic 4MOTION	N/A	3,150	1,500/1,790	1,800/750	4,950	2,558	592

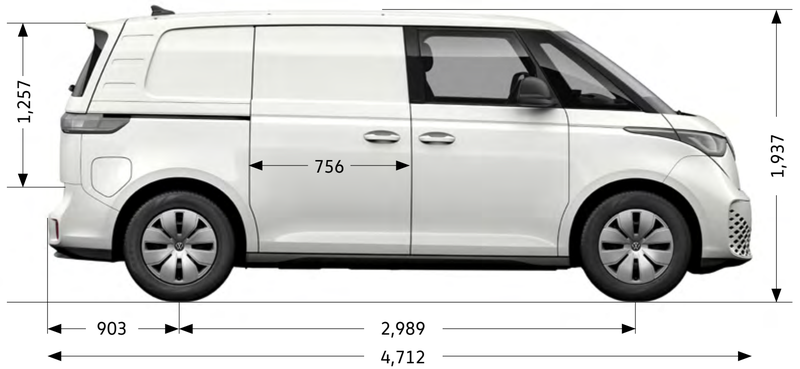

1 Unladen weight includes approximately 90% fuel load and 75kg for driver.

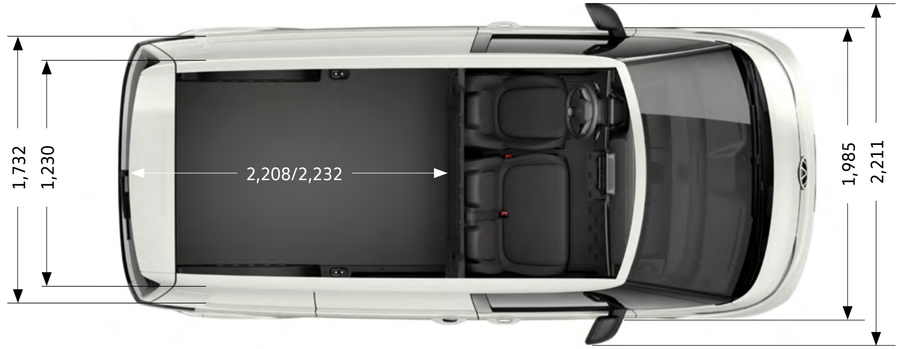

2 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). Trailer nose weight: 75kg.

RDE2 refers to Real Driving Emissions Step 2.

Dimensions

1 Net to energy amount.

2 Figures for the Volkswagen ID. Buzz Cargo battery electric vehicle. Fuel consumption for battery electric vehicles is N/A and CO_2 emissions are zero while driving. Battery electric vehicles require electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 16.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

3 The Plug-in Van Grant (PiVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra low emission vehicles. The ID. Buzz Cargo is eligible for the PiVG, meaning customers purchasing an ID. Buzz Cargo will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April – 31 March). The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit www.gov.uk/plug-in-car-van-grants/overview. The Government Plug-in Van Grant (PiVG) is applicable to UK sales only (excludes the Channel Islands and Isle of Man). Vehicle eligibility and grant figure correct as at 01.12.2022.

Volkswagen Commercial Vehicles may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

● Standard – Not available ○ At no extra cost

Where additional equipment is required by chosen options, this will be at additional cost. See the relevant option for recommended pricing or consult your local authorised Van Centre. Some options may not be compatible with other options. To check the availability of your chosen options, please use our configurator or consult your local authorised Van Centre.

Volkswagen Commercial Vehicles may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

Finance, insurance, servicing and warranties

Finance[1] and insurance[3].
When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits included as standard.

A choice of packages[2].
Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Van Insurance[3].
A fully comprehensive monthly subscription policy designed to give you total peace of mind.

Approved repairs
Repairs completed by an Approved Repair Centre, performed by Volkswagen trained technicians.

Genuine parts
Repairs carried out using Volkswagen Approved Genuine Parts – keeping your van in the best condition.

Comprehensive cover
We offer high levels of protection with uninsured driver cover, UK accident recovery and many more included as standard.

Fully flexible
There's no tie-in, no up-front deposits and no interest charges. You can cancel or make changes any time.

Easy access
Set up and manage your policy anytime, anywhere. It only takes a few taps and changes apply immediately – no waiting for paperwork, estimates or call centres.

No hidden fees
Make changes, renew or cancel without charges, and your price is guaranteed for 12 months – unless you need to make a change of course.

Roadside assistance.
We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:
- Assistance at home, by the roadside or place of work
- Recovery to your preferred location
- Onward travel, for you and your cargo
- Cover 24 hours a day, 365 days a year
- Free cover for three years (on new vehicles)
- Unlimited mileage
- European cover
- Option to extend cover beyond three years

Warranties.
You can count on us long after you purchase your ID. Buzz Cargo, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your ID. Buzz Cargo is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more details, please visit:
www.volkswagen-vans.co.uk/en/finance-offers-and-fleet/offers/aftersales.html

Factory extended warranty.
You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more details of cover levels, along with terms and conditions, please visit:
www.volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase a factory extended warranty.

Paint and body warranty.
Your ID. Buzz Cargo's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

Vehicle home charging.
Home charging using a domestic socket will depend on the condition and suitability of the wiring in your home. Always consult a qualified electrician before charging when using a domestic socket for the first time, or, if the socket is to be used as the primary source of charging. Domestic sockets on the same circuit as other appliances, particularly those in frequent use, will draw additional amperage which may result in a breaker switch being 'tripped'. Establishing a separate circuit for home charging will help ensure your electric vehicle is supplied with a consistent, uninterrupted current. For optimum charging, we recommend installing an electric vehicle charging point at home.

The Van Centre network.
Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.

Battery warranty.
A guarantee for eight years or 100,000 miles/160,000 km (whichever is soonest), on all material or manufacturing defects.

Gradual reduction in battery capacity over time is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.

With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application, etc.) also apply to the high voltage battery.

1 Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales number: 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

2 An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Volkswagen Commercial Vehicle Financial Services.

3 Volkswagen Financial Services (UK) Limited is registered in England and Wales under company number 02835230.
